BritishSpanishSociety

**A society for people
with a love of Spain
and all things Spanish.**

About our Society

The British Spanish Society was founded in 1919 and re-established in 1958. Its objectives are to promote friendship and understanding between the peoples of Britain and Spain through knowledge of each other's customs, institutions, history, and way of life. Its a non-political organisation and membership is open to people of any nationality who have an interest in and a love of Spain and its culture – and you don't have to speak Spanish!

La Revista

All members receive the Society's quarterly magazine "La Revista", which carries news and articles on Spain and its culture, book reviews, and information on activities taking place within the Society. Members are warmly invited to contribute articles, and the Santa Cruz Literary Prize is awarded for the best article published each year.

Events

The Society organises a variety of events for its members throughout the year. Events are varied, some informal, some more formal. There is a Annual Lunch or Dinner, a Christmas Party, a summer outing, lectures, both academic and light-hearted, wine tastings, concerts, and visits to museums and places of interest. Some events are organised in conjunction with other Anglo- European Societies or form part of other Spanish-related activities.

The Executive Council

The Society is managed by an elected Executive Council, with the support of the Trustees.
